Hip, hip, hooray,
Today is Saturday a
And it is time to play a game at the Rec fields today.
With a soccer or baseball and some friends,
That is all you need to
Have a great time in Pomfret!

Repeat substituting each remaining day of the week)

This song was written for the winning bidder at an auction raising funds for the then brand new recreation fields on Duffy Road in Pomfret. Approximately 60 people each bid ten dollars toward the song, which was written by Sally Rogers and sung by PCS students at the time of the opening of the recreation fields in 2005.
