In 1912 North School was built,  
 Had two rooms, for two classes.  
 PCS was built and then  
 North School was burned to ashes.

*CHORUS:*

*Pomfret once had seven schools.*

*Now we just have one school.*

*Pre-school up to eighth grade:*

*Pomfret Community School.*

Some Pomfret houses once were schools:  
 Elliot School and Jericho,  
 Chandler School and Pomfret Landing  
 Once were schools, you know.

*CHORUS:*

Abington School was many things,  
 Right across from Rucki's:  
 A one-room school, a two room school,  
 A firehouse and a business.

*CHORUS:*

There's one more school to write about:  
 Sixth District School or Gilbert Pratt.  
 Across the street is the Post Office  
 An apartment house is where 'twas at.
