Children take their first step in a circle of the sun,
Circle of the sun on their walking day. (2x)
Clouds to the North, Clouds to the South,
Wind and rain to the East and the West.
But children take their first step in the circle of the sun,
Circle of the sun on their walking day .

Children speak their first word in a circle of the sun,
Circle of the sun on their walking day. (2x)
Clouds to the North, etc.
But children speak their first word in the circle of the sun,
Circle of the sun on their talking day.

I hope to be married in a circle of the sun,
Circle of the sun on my wedding day. (2x)
Clouds to the North, etc.
I hope to be married in a circle of the sun,
Circle of the sun on my wedding day.

I hope to die in a circle of the sun,
Circle of the sun on my dying day.
And spread my ashes in a circle of the sun,
Circle of the sun on my dying day.
Clouds to the North, etc.
I hope to die in a circle of the sun
Circle of the sun on my dying day.

Repeat first verse...
